This is a great way to track your links and get paid at the same time. You do have to log in everyday and surf 10 ads but this only takes a few minutes to do.

The owner, John Bell, created this system to help others learn the exact same system he used to generate over 7,000 new affiliates last year using just Traffic Exchanges.

Under Downline Builder you will find a contest builder and a lesson builder to help you build downlines in some of the most popular traffic exchanges.

The contest builder lists the sites in the current week's promoter contest which they have every week. They actually pay you for surfing at these traffic Once you add

your referral id it will stay in the system so don't worry if it isn't there the following week, when the traffic exchange comes back to that area your referral id should still be there.

There are 3 different contests going on at once and the money isn't just given to the top performers. As long as you meet the requirements for each contest you get a share of that week's prize.

Those who upgrade get twice the amount in the contests and they can promote 3 of their own programs in the rotator which is used for the promoter contest. I believe free members can only promote one of their own programs in the rotator.

There are plenty of ways to earn with this program and it can help you learn how to use traffic exchanges effectively so if you are not already a member, click on the link below and join today:

Another nice thing about Instant Cash Flow Funnel is that they have an advertising promo code vault where you can get promo codes to a whole bunch of different safelists to help with your advertising.

Perhaps one of the best features is the many different professionally designed capture pages that send leads to your inbox. 4. Easy Hits 4 U

If you joined Traffic Profit Pro you may be already using Easy Hits 4 U. If not you can join by [clicking here](#). Easy Hits 4 U pays you 30 cents per 1000 pages that you surf. It is also a great place to promote your website.

Easy Hits 4 U is not just a traffic exchange site. They have a splash page maker and an article directory along with other nice perks.

Easy Hits 4 U is not the only traffic exchange to pay for surfing. There are some others, including [TopSurfer](#) which you can join by [clicking here](#).

You will find other traffic exchanges that pay in the 5th way to earn while promoting online.

5. Cash Surfing Network

Although there are a few things I don't like about the Cash Surfing Network it is still a great place to earn while promoting your business. They do have a \$12 sign up bonus but you only get it if you are a new member and you surf the six sites 555 in one day and then it gives you \$2 per site. The amount is then added to the CSN Cash Log of each site.

In order to get paid that money you have to make \$15 in the CSN Cash Log at each of the core sites. If you make the \$15 in any of the CSN Cash Logs, you can request the money which gets added to the surf site's commissions and they will pay you in two weeks. So you don't have to earn \$15 at all 6 sites to get paid from one.

There are other ways you can make money at the 6 sites and at the Cash Surfing Network itself. There is a jackpot machine where you can earn money, banner impressions or text impressions. There is a banner run and daily rewards.
